Test-Design

Design a poster

Please design a social media poster for Financial Services company with below requirements.

- Dimensions of the poster: Width: 1080px and Height: 1350
- Please choose suitable images or icons from Unplash.com, Pexels.com or image and icon library of your choice
- Content: Next page
- Tool: Please use Photoshop or XD

Design a poster

Content:

Main heading: Lets plan for the future

Body content: Add dummy content

Key Services: Financial planning, Education planning, Retirement schemes, Investment funds

Key highlights:

- 20million+ asset management done by company,
- 90+ clients,
- 10 years of experience in financial planning and
- More than 50 financial experts

Webpage design

Please create a webpage based on the design (sent separately as PDF) considering below requirements:

- Webpage needs to be responsive and should not be built using any frameworks like bootstrap
- All content, images and icons are completely generic. You can use stock websites for adding any similar images and icons and use Latin text for content placeholders.
- Please use Google fonts wherever needed
